The background image is a composite of two scenes. On the left, a woman with dark, curly hair is smiling and looking out from the open side of a blue boat. On the right, a group of people are in the water, their arms raised in celebration, with water splashing around them. The overall tone is bright and joyful, with a warm, golden light.

Let's Protect **THE HOUSE!**

Respect for Others: Treat all individuals with the same level of respect and professionalism that you expect to receive.

Valuing Overflow: Recognize that spillover is a gift, not an entitlement.

Ethical Recruiting: Refrain from soliciting individuals who are already associated with other sponsors, focusing instead on building relationships within your own network.

Respect for Autonomy: Ensure that no one feels coerced or pressured into participating in our endeavors.

Authenticity over Hype: Present our offerings truthfully and confidently, without the need for exaggerated claims.

Abundance Mindset: Embrace an attitude of abundance, understanding that there are endless opportunities to positively impact lives.

Collaborative Spirit: Foster a collaborative environment by supporting members
